A VISUAL AND
PERFORMING ARTS
SUMMER CAMP
SPECIFICALLY DESIGNED
FOR DEAF CHILDREN AND
CHILDREN WITH HEARING LOSS.

CAMP ARTS FOR ALL IN SIGN

Our camp is Delaware's **ONLY** visual & performing arts camp for Deaf children & children with hearing loss.

Our goal is to provide children (Ages 8 - 11) with an accepting and empowering space where they can learn new artistic skills, ways of expressing themselves, and build confidence and self-awareness.

Campers will be able to connect with other children like them who are Deaf or have hearing loss and most importantly have fun!

Campers will also have the opportunity to create works of visual and performing art that will center their perspectives and experiences in a safe and accessible environment.

****This week-long full-day camp will be primarily taught in sign language with support from interpreters for those utilizing spoken English.**
