

## ABOUT CCARTS

For more than 40 years, the Center for the Creative Arts has been a community art center with visual and performing arts for all ages.

Our mission is to inspire, transform, and enrich the lives of people of all ages and abilities through the arts.

We strive to make the arts accessible to as many people as we can, because we believe that the arts are essential for human development, greater academic success, higher self-esteem, and healthier mental and physical lives.

OUR CAMP IS DELAWARE'S ONLY VISUAL & PERFORMING ARTS CAMP FOR DEAF CHILDREN & CHILDREN WITH HEARING LOSS.

Our goal is to provide children (Ages 7 - 12) with an accepting and empowering space where they can learn new artistic skills, ways of expressing themselves, and build confidence and self-awareness.

Campers will be able to connect with other children like them who are Deaf or have hearing loss and most importantly have fun!

Campers will also have the opportunity to create works of visual and performing art that will center their perspectives and experiences in a safe and accessible environment.
